NOTES

Transfers

- In some cases, passengers may need to ride two different routes in order to reach their destination. For this purpose, TANK issues free transfers that can be used within one hour of issue at any bus stop or on any bus.
- For any passengers transferring from one county to another, please be aware that most TANK trips will go through Cincinnati and offer direct service between Kenton and Campbell counties. Therefore, passengers may be able to remain on their original bus in order to reach their final destination.
- For passengers still needing to change buses, some transfers may be made at the indoor Covington Transit Center. Please do not hesitate to ask your operator for guidance on just what your best option may be.
- Transfers points are shown on the map by the following.

Reading a bus schedule - step-by-step guide

- Find the schedule for the day of the week and the direction you plan to travel.
- Find the timepoints nearest your origin and destinations. Timepoints are shown on the route map by **B**. Bus stops may be between time points.
- Read downward in a column to see times when a trip will be at a given time point. If no time is shown, that trip does not serve the area of that time point.
- The route number at the top of the schedule will appear in the sign above the windshield on the bus.
